Mardi Gras King!

No ...seriously that's me!
(19??)

Dave is a proud Stark County native. He has played a vital role in the growth of our community. After graduating from Perry High School, Dave set off for Miami of Ohio to pursue a business degree. In 1972 Dave returned to Stark County to join the staff of The Professional Football Hall of Fame. For the past 38 years he has devoted himself to all things *football*! Beginning as an Operations Supervisor and progressing to his current position of VP Marketing/Operations, Dave has participated in transforming the Hall into a nationally ranked tourist destination and the pride of Canton!

Civic responsibility has remained a priority for Dave. Working with the Stark County Convention & Visitors Bureau for over 27 years in many capacities, Dave has been able to introduce others to all of the wonderful things that our community has to offer. He is an Advisory board member of the Cuyahoga Valley Scenic Railroad, immediate past chairman of the OHSAA – State Football Championship committee, and member of the Host Committee for the Junior World Football Championship. He is also a member of the Miami University Alumni Assoc., the GlenOak High School kickoff & Roundball Club, and HOF Luncheon Club.

Dave share his love of Canton with his wife Sue, their son Kyle (18) and daughter Jessie (16) both currently attending GlenOak High School. Dave enjoys all sports (not just football) and is a strong supporter of Arts Education. Dave enjoys traveling and spreading the word about his kingdom...Canton!
