

Sara Dahler

Marketing & Development Assistant

Sara Dahler is a graduate of Walsh University, where she earned a B.A in Graphic Design with minors in Communication and Art. With over 8 years of years of experience, Sara is well versed in a variety of fields including Design, Marketing, Social Media and Photography. Her passion for creativity shines throughout her work. Having been born and raised in Canton, her pride and passion for her hometown has immersed her in volunteer and freelance work within the community. Sara has been drawn to music since a young age, having played the flute through middle school and high school. She's eager to use her musical interest to aide in her position at CSO. In her free time, you can usually find Sara in a coffee shop or art museum.
