Canton Symphony Orchestra with your
time & talents.

RACHAEL MOSLEY

PATRON RELATIONS & OFFICE MANAGER

Rachael received an Associate of Science from Kent State University with a focus in Business and Marketing. She is a lover of the arts and passionate about people. After devoting 6 years caring for her grandfather, she was inspired to pursue a more fulfilling and rewarding career in the music industry. Rachael has been drawn to music from a very young age. She played the saxophone from middle school through high school and later learned the tuba, euphonium, and guitar. Joining the team at the Canton Symphony Orchestra, Rachael hopes to continue to develop as a musician, grow with the community and spread the joy of music to others.

Rachael's responsibilities include serving as the first point of contact for patrons of the CSO, providing guidance for programming, ticketing, travel directions, and volunteer information. Her role has expanded to include managing the administrative offices of the organization, ensuring that everything is in working order to properly conduct business. Recently, Rachael has taken over volunteer management for the CSO, growing its volunteer base significantly and streamlining the process to be much more efficient. Rachael enjoys practicing yoga, traveling, exploring, hiking, collecting rocks, creating art and music, good food, and deep conversations.

Training and instruction will be provided for every role, and our staff is always available to help. Start and end times vary per concert/event and assignment. **Children under 14 may volunteer if accompanied by a guardian, and children 14-17 may volunteer with signed guardian permission.*

BARTENDER

Help set up and replenish the bar as the night goes on. Serve and sell drinks and concessions. Full bar serves beer, wine & limited mixed drinks. No experience required. Bartenders typically work with staff for 4-5hrs on concert night, but shorter shifts are always available by request! Be prepared for light lifting, standing for extended periods of time, bending, reaching, and/or squatting. Requires money handling and use of electronic payment devices. **Must be 21 or over*

CHECK IN

Greet & check in event guests or auditionees. Some use of electronics may be required, but most check in lists are printed. Hand out any materials, like wristbands. Provide instructions, like location of waiting area, restrooms, or other event related directions. Prepared to be seated for the duration of your shift (1-3 hours depending on the event).

COMMUNITY REPRESENTATIVE

Table events outside of the hall to engage with the community, hand out information, and talk about the programs at the symphony. The CSO will provide you with everything you need to easily transport and set up for these events. Most events are held outdoors for extended periods of time. Requires minimal setup and tear down, some lifting up to 20lbs, bending, reaching, pulling and/or squatting (for example: transporting table, chairs, tent assembly/disassembly, and picking up/dropping off materials using a wagon).

CONCERT GREETER

Use your customer service skills at our concerts by helping us welcome our patrons and direct them throughout the Zimmermann Hall. Be prepared to be on your feet for at least 90 minutes, standing in place and/or walking. A chair may be provided upon request.

CONCIERGE TABLE

Help set out tablecloth and CSO program materials. Greet patrons in our lobby, talk about the symphony, hand out information, and take donations before the concert and during intermission. Requires money handling and using electronic payment devices. Be prepared for a combination of sitting and standing for at least 90 minutes.

DOOR GUARD USHER

Hold patrons at the door arriving late or returning from the restroom until there is a break in music so the performance is not disrupted. Requires sitting (or standing if you prefer) inside the hall entrance doorways for the duration of the concert.

INSTRUMENT PETTING ZOO

Interact with our community outside of the hall with CSO Staff and instruments! No experience is required, and a member of the CSO Staff will train you to properly handle instruments. The goal of the petting zoo is for children (and adults) to have a hands-on experience with real instruments, while sharing our many program opportunities. This is one of our most popular community engagement initiatives. Be prepared to be on your feet, sitting, squatting, stooping, reaching, bending, and/or holding instruments.

Etiquette & Safety:

We want everyone to feel safe, welcomed, and respected at the CSO. If you experience offensive, uncomfortable or inappropriate situations, discrimination, or harassment from any patron, fellow volunteer, security, staff or board member, please advise the CSO Staff or the President & CEO immediately. A copy of our Harassment & Discrimination Policy is available upon request.

The Canton Symphony Orchestra is not liable for any accidents, illness or injuries that may occur while volunteering.

Wardrobe:

Volunteers should wear all black for most of our in-house events and MasterWorks concerts. CSO Logo clothing and accessories are always welcomed! Comfortable shoes are essential, as many roles require standing or walking for extended periods of time.

For pops concerts, you may wear jeans or dress up with the theme of the performance.

For casual & outdoor community events, festivals, and Summer Serenades, please dress comfortably and accordingly for the weather.

We will provide you with a Volunteer nametag to wear, and we kindly ask it to be returned at the end of your shift.

Communication & Scheduling:

First Time Volunteers should complete the survey on our website to be added to the database: cantonsymphony.org/volunteer. We communicate and coordinate electronically using email and POINT, a volunteer network.

New & Existing Volunteers may sign up for scheduled events through POINT or an email request. POINT requires a login and password creation (save this to your bookmarks for quicker access!) All roles are first come, first serve. Emails will be sent as new opportunities arise, if roles have not yet been filled, and as reminders for upcoming events. Call time is the start time of each shift.

Please contact the CSO staff as soon as possible if you are unable to work your scheduled shift. We rely on volunteer coverage for successful events and to provide an outstanding patron experience!

Expectations & Benefits:

Volunteering should be a rewarding and fun opportunity to connect with your community. We invite you to enjoy the events you are working and stay for the concert. You are not obligated to stay past your scheduled time. Please invite your friends & family! Volunteers may redeem 50% off additional tickets for any concert you work. Comps may also be offered a few days before the event, depending on sales.

The CSO Alcohol Policy permits volunteers and staff members two complimentary alcoholic beverages while working an event. Any alcohol purchased after two drinks is discouraged, as we should remain professional while representing the CSO. If you prefer, you may enjoy 2 concessions of snacks, soda, and/or water bottles instead of alcohol!

Volunteers working fundraiser events are welcome to food and drinks, but may not participate in the raffles or other activities exclusive to ticket buyers.

We value your time and service to this organization. Your feedback shapes this program!
Please don't hesitate to communicate your needs, preferences, and suggestions. We are a team!
